

Reach for your dream of
homeownership!

Homebuyer Programs that Work!

Did you know?

- You could buy a home with a monthly mortgage payment that is less than the average rent?
- Down payment assistance is available for home purchases in all of Montgomery County?
- There is a local nonprofit organization that offers first-time homebuyer classes and coaching?

The HomeOwnership Center is here to prepare you for homeownership.

We are in the business of helping fist-time homebuyers realize the American Dream through sustainable homeownership.

- We start by understanding your dreams and reviewing your current financial situation.
- We work with you to develop and action plan that moves you to buy your first home.
- We provide classes and workshops to teach you how to buy and maintain your home.
- We Provide one-on-one coaching so that you have someone to call every step of the way.

Down payment assistance for qualified homebuyers

Struggling to find the cash for a down payment? The HomeOwnership Center partnered with the City of Dayton and Montgomery County to provide down payment and homebuyer assistance programs.
