

Home Maintenance 101

Would you rather pay someone \$125 an hour to make repairs for you or learn to take care of your own home?

What would you do if you needed to repair a leaky faucet or replace a light switch? Do you know what jobs to tackle yourself and which are better handled by the experts?

The HomeOwnership Center's **Home Maintenance 101** class teaches you how to maintain your home.

\$25

Take the class and you will save thousands in future home maintenance costs.
