How to Determine if Property is City of Dayton

The HomeOwnership Center of Greater Dayton administers down payment assistance funding for the City of Dayton. While many properties may have an address with listed as Dayton, funds will only assist on purchases with Parcel ID starting with R72.

Instructions to look up a Parcel ID:

- Go to Montgomery County Auditors website and search for a property by address, or click on link below:
    https://www.mcrealestate.org/search/commonsearch.aspx?mode=address
- Enter Number and Street Name without directional or additional terms. Example, for 123 N. Main St enter 123 in the Number box and Main in Street Box. Do not enter N or St.

- Review results and locate the property you are looking to purchase. If the Parcel ID starts with R72 it is located in the City of Dayton.

 Note on Property Eligibility:

- Property must have R72 Parcel ID to be eligible
- Property must also pass a Housing Code Inspection
